## — ABOUT US —

### *Independent Loss Adjusting Services to the short-term Insurance Industry.*

AdjustPro Loss Adjusters CC has since inception, provided Innovative, Ethical, Efficient and Independent Loss Adjusting services to the short-term Insurance Industry.

The organization draws from 37 years of Insurance and Adjusting experience, and operates with a dedicated team of professionals, who direct all their energy and resources to fulfil the diverse demands of the short-term market.

The company prides itself upon its proactive approach and ability to identify and respond to the changing needs of the Insurance and Adjusting Markets, and maintains focused and steadfast to its core values of Innovation, Integrity and Independence.

Our continued growth has seen the formation of diversified internal business divisions, to offer you our valued clients with extended service offerings. Our strength lies in being a services and product supply company run by people with an intimate knowledge of the industry. We can advise clients on the best solutions to their problems.

# VISION & MISSION

---

The mission of the company is to be the preferred destination for all loss adjusting solutions. We seek to utilise our skills, experience and passion in producing solutions that match the needs of our clients.

Our primary aim is to understand your business and activities. Our practice of careful planning, our commitment to personal involvement and the liaison with key individuals and stakeholders within your organisation, will ensure solution for your needs. We believe we are positioned to meet your needs due to the following factors:

We believe we are positioned to meet your needs due to the following factors:

- Our client service approach is designed to identify and meet your needs now, and in the future;
- Our solution driven methodology coupled with a value adding focus is designed and tailored to develop and adjust in step with your business;
- We want to be Business Partners and not merely a Service Provider.

## SERVICE OFFERING

Considering our practical experience in claims handling, technical and legal knowledge of short term insurance practice, underwriting and loss adjusting, we strive and purpose ourselves to successfully handle losses relating to:

- Fire and Allied perils
- Business Interruption
- Engineering and Mechanical Breakdown
- Crime classes
- Accidental/All Risks
- Property and Material Damage type losses
- Sectional Title Insurance
- Electronic equipment
- Goods in Transit Insurance
